**4. IMPORTANT NOTICE FOR ID CARD CUSTOMERS:** The Fort Benning ID Card Section was fielded with an upgrade to its ID card system. This upgrade now requires each customer to have two (2) forms of identification in order to be issued a new card. One of these must be a picture ID unless the card is for a newborn baby. Also, in order for family members to be issued a card, regardless of purpose, they must either be accompanied by the sponsor, have a power of attorney on behalf of the sponsor, or have an ID Card application (DD Form 1172) completed and signed by the sponsor. The fielded upgrade has caused longer processing times for issuance of cards. Consequently, this results in longer waiting periods for customers who walk in without appointments. Unless it is an emergency, it is highly encouraged that all customers call and schedule an appointment. Those with appointments will normally be serviced within 15 minutes of their appointment time. Those without appointments could have waiting periods up to 3 hours. To schedule an appointment, please call 545-4068 or 545-9085. For any other ID card assistance, please call 545-1411.
